# YOUR HEALTH YOUR GOALS OUR MISSION

2022 WINTER/SPRING BROCHURE

### OUR MISSION

The mission of the San Angelo YMCA is to serve the people in the San Angelo community of all faiths, with the emphasis on families and youth, to permit them to achieve their God-given potential in spirit, mind and body through its programs, staff facilities, and the community.

### STRENGTHENING COMMUNITY IS OUR CAUSE

The Y is a leading nonprofit for youth development, healthy living and social responsibility. We are a powerful association of men, women and children of all ages and from all walks of life joined together by a shared passion: to strengthen the foundations of community.

### FOR ALL: WE WELCOME ALL INCOMES, AGES AND ABILITIES

Everyone belongs at the Y, regardless of ability to pay. The YMCA turns no one away due to the inability to pay. Through funding from the **United Way of the Concho Valley**, private grants, individuals and corporate donations the Y has the ability to break down financial barriers by providing financial assistance to individuals and families throughout the community. Even in the midst of a pandemic with closures and decreased enrollment the Y still awarded over 257,000.00 in scholarships for programs and membership in 2020. Financial assistance is available for most programs and services. Applications are available at the Welcome Center and online. Submit the application with proof of income for all wage earners in the household and expect a response within 7 - 10 business days.

For more information contact our Membership Director, Larissa Rivera at 325.655.9106 or lrivera@ymcasanangelo.org.

### CHILD ABUSE PREVENTION

Child Abuse Prevention (CAP) is a top priority at YMCA's across the State of Texas. Physical, emotional and sexual abuse is prevalent in society today. The San Angelo Y trains staff and volunteers to recognize, prevent and report any form of child abuse to authorities. All YMCA's in Texas are actively participating with a leading organization to enhance and provide children with a safe environment.

## THE COMMUNITY NEED

It is critical to ensure that early in a child's life, no matter their socio-economic status, that they are exposed to positive environments that encourage teamwork and collaboration, and make learning fun and exciting. The growing demand for those wanting to join the Y's programs is a testament to our good work.

## THE PROPOSED SOLUTION

The Y is proposing to build a second location at 2833 College Hills Blvd. It will be known as the Y's Little Explorers Preschool and Development Center. The capital project includes renovating the 11,000 square foot facility to accommodate the Little Explorer's Preschool Program. Additionally, an outdoor playground will be constructed.

## Y Little Explorer's Preschool

The Y will relocate the Preschool Program to the second location, increasing its daily capacity from 30 to 92 children. By moving this program the main branch will have the ability to increase its daily capacity for day camps and the Summer Day camp program by at least 30 children.
