YVOLUNTEERS™

We build strong kids, strong families, strong communities.

APPLICATION FOR VOLUNTEER SERVICE AT THE SAN ANGELO YMCA

Thank you for considering the San Angelo YMCA as a place to donate your time and talents. Volunteers are vital to the YMCA. You will find questions on this form about your background, former residences, places of employment and so on. The YMCA makes an active effort to prevent abuse. So even though we may know you well, all volunteers are subject to criminal history and background checks. It's just one of the many ways we help protect children and other vulnerable people served by the YMCA. Thank you for your cooperation and your interest in the San Angelo YMCA. If you have any questions about any part of our application process, please contact us at (325) 655-9106.

In the San Angelo YMCA's efforts to attract the highest quality volunteer staff, I have been advised that, as a part of the application process for volunteer service with the YMCA, an extensive inquiry will be made concerning my prior employment, activities, character and health, and I fully consent to and authorize all such inquiries. I understand that all inquiries will be confidential. I understand that any misrepresentations or omission of fact would exclude my being considered for volunteer services or, after service begins, may cause termination. MEMORANDUM

To: All People Volunteering To Coach a Sport
From: YMCA Youth Sports Department
Date: April 6, 2010

The Y-USA has created an official Youth Sports E-learning website providing a suite of online youth sports courses for YMCA volunteer coaches, parents and officials. If you are planning on volunteering in any degree, we are now requiring that you take these courses online prior to your first meeting with your YMCA team. Upon completion of every course you have the ability to print the certificate of completion or email it directly to the youth sports department at aflores@zipnet.us. The only way we will know you have taken the course is if you present the YMCA Youth Sports Department with the certificate or email it to us.

Please visit <http://training.ymca.net/> . The website will outline the courses that you are required to take for the position you are taking. Feel free to start working on these now and get them out of the way.

Thank you for volunteering to be a leader and role model to our children. We are looking forward to working with you this season.
