At the Y, we believe everyone should have the opportunity to be healthy, confident, connected and secure regardless of their financial situation. That’s why The Y makes our programs and services available to everyone even if they are unable to pay the full fee. You can support our mission by making a donation to the Annual Community Support Campaign. Your gift will make a meaningful impact right in your neighborhood. Together we can help move people forward by ensuring access for all, in all that we do.

With the help of the community the YMCA was able to meet its annual goal for the 2013 Annual Support Campaign. Headed by Campaign Chair Bob Brewer the campaign volunteers and staff were able to raise over $80,000.00 that will be used towards scholarships for those in need.
