# SPIKE! YOUR! FUN! Youth Volleyball

The YMCA youth volleyball league is designed to introduce and advance the game of volleyball to players in the 3rd - 8th grades. Club and Recreational divisions are available.

**Club teams:** (For players with a little more experience in the sport or wanting to play with a certain group of players)

Players will need to register individually. Coaches must turn in a roster for the team. Equal playing time is not guaranteed and is determined by the coach. 7 players are required as a minimum in their roster to participate as in club divisions. Players must be between 4th to 8th grade.

\*3rd grade cannot sign up as a team and will compete in the recreational league.

## **Recreational teams:**

Teams are formed according to grade, area, or previous team that the player was on. Players in this division are guaranteed to receive equal playing time and play with traditional competitive volleyball rules. This division is created to give players the opportunity to learn, grow and prepare them for further play in athletic careers.
