ATTACHED TO THE EMAIL YOU WILL FIND THE BIKE AND RUN MAP FOR THE EVENT!!

We will have drinks and fruit in the registration area for the participants as they prepare and finish the race. We will have a 10 minute meeting before the start of the race to start each division, so please get there early enough to get registered and ready before the start of the meeting. The schedule is as follows.....

We will be looking at working around the weather that day, but will give you updates through EMAIL AND SAN ANGELO YMCA FACEBOOK as to what our standing is for the race. If we are experiencing a really wet course from the rain that is expected then we might look at postponing or cancelling for another Saturday. We will send those updates out as we make the decision for race day.

Again, we are really excited about getting the kids out on the course and glad that you are joining us in this grueling, challenging, but fun event!! We will be sending out updates as our standing on the weather as we know them, but hopefully we will see you this Saturday. Please let us know if you have any questions.
