Unidad Park or Kirby Park

February 20, 2022

Hi Everyone,

The San Angelo Children's Fair is just around the corner and here is your chance to sign up your organization to be a part of this great event highlighting children and our community.

The fair is Sunday, April 24th from 12 Noon–5:00pm at Unidad Park or Kirby Park depending on availability. Final park determination will be on April 1st.

What a great way to help get your organization's name out in to the community with this Fair event that is geared toward a fun, family time. The Children's Fair has been a staple in our community for the past 30 years and we are excited that it has come back again this year ready to raise awareness of children's programming in the Concho Valley. Groups that are interested in joining us need to have a youth focus to programming offered. Please give us a call with your booth idea or we have some to choose from. We will not double up on booth ideas that are already in existence to give every group a great opportunity to generate funds for their program.

If you didn't know, the Children's Fair was run by Healthy Families in previous years and the YMCA starts its second year of leadership for this family fun event to help it grow. We will continue with what has been done in the past with booth rates and percentages. After the fair, we will figure out how much your booth(s) took in based on your ticket count. San Angelo YMCA will retain 15% and then deduct \$25 per booth at that time. The remainder will be sent to you shortly after the Fair. Non-ticketing booths will be charged \$100. Please call to get on the waiting list.

We are excited about this year's Children's Fair and looking forward to you joining us in celebrating children and our community. Please do not hesitate to reach out to us if you have any questions.

See You at the Fair!
