

Dear Community Leader,

The YMCA of San Angelo would like to invite your business/organization to participate in Halloween at the Y! Halloween at the Y is our largest community event of the year providing thousands of individuals with an opportunity to engage with each other and at no cost. In previous years the Y would offer dozens of carnival style booths, a haunted house, costume contest and more. Due to our nation's current events this year's carnival has to be reinvented.

The 2020 Halloween at the Y will focus on **safety** and **community engagement**. Giving our community an event that is festive, fun and safe is important in today's time. So much has been taken away from the youth in our community in such little time. We must stand strong, together because together we can do so much more.

Here is what you can expect at this year's Halloween at the Y scheduled for **THURSDAY, OCTOBER 29 from 6:30 p.m. – 8:30 p.m.!**

- To encourage safety and social distancing measures all participants of the event will remain in their vehicle for a drive through trick or treat experience.
- Participating businesses/organizations will be designated a space along W. River Dr. just South of the YMCA.
- Participating businesses will choose/designated a theme. Organization will be responsible for operation and decorating of their space, providing candy, giveaways and marketing assets for the mobile trick-or-treaters.
- At the conclusion of the drive, along S. Randolph St. vehicles will have the option to drive through the haunted drive or continue along W. River Drive.

For any questions regarding the event please do not hesitate to contact Angel Flores or Linda Mata at 325.655.9106. We hope we can count you in! **DEALINE TO SUBMIT OCTOBER 15, 2020**
