

## CAPITAL CAMPAIGN BRICK PAVER ORDER FORM

Brick pavers are an excellent way to support the Capital Campaign of YMCA of San Angelo! The YMCA's goal is to raise \$7.5 million to construct a second location at 2833 College Hills Boulevard to accommodate the Little Explorers Preschool Program, Day Camp, and Summer Camp. The need arose due to the increasing demand for YMCA's preschool and other childcare programs. Along with renovating the existing 11,000 square foot facility, and constructing a new 12,000 square foot multi-use center, a brick walkway will be installed. For a donation, a personal message will be engraved on the brick size of your choosing.
